

SAIL THE SEA OF KNOWLEDGE

WOCN –SCR CONFERENCE 2009

www.scrwocn.org

Exhibitor,

The SCR WOCN is hosting the Wound Ostomy Continence Nurses' regional conference October 3-8, 2009 on the **Carnival fun ship Fantasy**. We are sending out over 500 invitations to nurses in our 5 state-region.

What a wonderful opportunity this will be for you to meet with so many nurses and present your company's products! Today fewer and fewer hospitals and agencies are paying for attendance to educational conferences, so it is important for us to keep the nurses' registration fee low to maximize attendance. We are depending on your company's participation.

Enclosed are attachments with more information on this event. **Please send the cruise registration form with a non-refundable \$50 check as a deposit due by March 5, 2009.** You are also invited to attend all regional events (education sessions and cocktail party). *All cruise registrations need to go through Rosie Goldberger at Braeswood Travel 713-721-2599 or 1-800-721-4088/fax 713-721-2595.* Let me know if you are interested in helping with conference in addition to having a booth. **Please return the exhibitor registration form and booth payment to Catherine Short by May 30, 2009.**

Yours truly,

Catherine Short, RN BSN CWOCN
