

Texas Health Presbyterian Hospital Dallas, a Magnet facility, has an open Wound Care Nurse opportunity at their inpatient Wound Care Clinic.

Basic Qualifications/Requirements:

- * Bachelor of Science in Nursing
- * Wound, Ostomy & Continence Certification
- * Current RN license in the state of Texas
- * 3 years appropriate clinical experience

In addition, excellent verbal, written & communication skills are essential for this position.

Schedule: This position is Monday through Friday from 8am – 5pm for a total of 40 hours per week.

Texas Health Presbyterian Hospital Dallas, a member of Texas Health Resources, is an 866-bed hospital located just north of downtown Dallas. We are a community-based hospital serving as a referral center for North and East Texas. There are more than 1,200 physicians on our medical staff, and we offer a full range of care including services for cancer, cardiovascular problems, neuroscience needs, orthopedics, senior care and women's services. From our Stereotactic Surgery Program for Parkinson's disease to our Gamma Knife for treating tumors, we are able to offer a wide range of services to care for complicated medical conditions, which make our facility intensely qualified to serve our community and your professional aspirations.
