

RN WOUND CARE COORDINATOR - 1 DAY PER WEEK - DALLAS TX

Kindred Hospitals has an opening for a Wound Care Coordinator. This is a PRN position that will work one day per week in one of our Dallas LTAC hospitals. Key requirements include:

- RN
- Wound Care nursing experience in an acute care setting
- Certification is a plus, but not required

Kindred Hospitals is a leader in long-term acute care (LTAC) hospitals, operating 83 hospitals throughout the US. We have 6 locations in the DFW metroplex. You can learn more about Kindred Hospitals, view details, and apply at www.kindredhospitals.com/careers. Feel free to call me if you are interested. I can be reached at the phone numbers below.

If this opportunity is not for you, who do you know that would be interested? Feel free to forward this appropriately.
