

WOCN position at LBJ- Houston Texas

Title: Full/Part Time Full-Time
Wound Ostomy Continence Nurse

Location: Department
Administration Nurse Practice & Prof Adv

Reference: Min Hrly Rt
113437 Salary Competitive

Responsibilities

To provide quality wound, ostomy, continence (WOC) nursing care to patients by assessing, planning, educating, implementing, and evaluating age appropriate care in a manner that incorporates family centered principals and cost effective care.

The WOCN is responsible for creating and maintaining an environment that cultivates exemplary patient care related to wound, ostomy, and continence nursing care.

The WOCN facilitates continuous quality improvement through the development, implementation, evaluation, and revision of departmental plans, goals, objectives, policies, and procedures.

The WOCN mentors others, role models professionalism and participation in activities such as nursing organizations, nursing research, the community, and bodies that shape health care policies and practices. Routine decisions include the assessment of patients, formulation of treatment plans with appropriate products in collaboration with physicians and other health care providers.
