

March 2007

Well, we made it through Mardi Gras and the cold fronts...onto bigger and better things. We are looking forward to the National Convention in Salt Lake City. We will be having our South Central Regional meeting at the Marriott Hotel at 6:30 pm on June 9<sup>th</sup>. National office sent the menu from the hotel so we could our dinner selection. We have chosen:

*House salad, Roasted Rosemary Chicken Breast with Basil Marinara Sauce, Boursin Cheese Mashed Potatoes and the vegetable of the day*

We need to know how many are going to be attending the meeting so we can order enough meals. Please email Kim Stallo at [Kim.stallo@tycohealthcare.com](mailto:Kim.stallo@tycohealthcare.com) and let her know if you are going to attend. Since we have to pay for each meal ordered, we want to be sure that everyone gets to eat but we only order for those that RSVP.

Our Scholarship Chair, Debbie Fulmer, has been busy this year and it's only March! In the last 5 *Alive* it was mentioned that our region is taking over the function of Beverly G. Hampton Scholarship. We have formed our own scholarship committee that will meet and review all applications and award a \$3500 scholarship twice a year to qualified recipients. We have two members attending NIWI this year. Rhonda Kelly and Joan Flynn will represent our region. I am sure they will have a great report for us when they return. The Poster Presentation Scholarship is still available so see if you meet the qualifications. We are also looking for Youth Rally attendees. All of the scholarship qualifying information is on our web site: <http://www.scrwocn.org/Scholarships/Scholarships.htm>

Donna McClure has ordered more SCR logo Polo Shirts so we have **all** sizes now. We also have scissors and Foot and Nail Kits available. You can avoid carrying SCR items home from conference by ordering your items on line at any time at: <http://www.scrwocn.org/store/Storeindex.html> and they will be mailed directly to you.

If you have any interesting pearls of wisdom or clinical challenges please write them up and share them with us. We are always looking for input from our members. Send information or articles to Bette Kussmann.

Your SCR Council wants to hear from you!

Jill Conwill, President SCR
